

15kW invt 3 phase inverter

The XG3-15KTR-S three-phase grid-tied inverter features a dual MPPT design, achieving a maximum efficiency of up to 98.7%. Equipped with multiple protection functions, it offers intelligent and worry ...

XG 3-15 three phase inverter is developed by INVT for residential users. It has a simple and fashionable appearance design and is equipped with intelligent data monitoring platform to ...

XG3-15kW Three Phase On-Grid Solar Inverter Efficient Higher revenue Intelligent Simple O& M

The INVT 15Kw 3 Phase On-Grid solar Inverter - XG15KTR is a powerful and efficient solution designed to optimize the utilization of solar energy for commercial and industrial applications.

The XG Series 6 - 15kW 3-phase inverter is a new generation product from INVT, designed to be compatible with high-power solar panels. It features 2 MPPTs and a wide MPPT ...

Rated Power: 15kW (20 HP) Model: 015G/018P-4 Input Voltage: 380-480V AC, Three-Phase Output Frequency Range: 0.00-400.00Hz Dual-mode control: General-purpose (G) and ...

High efficiency and stable performance at entire input voltage and output power range. Max. Efficiency is up to 98.6%. Wide input voltage range gives more possibilities for accepting different string ...

Buy INVT GD100 15kW~22kW Three Phase for only \$524.00 at Azar Group!

XG3-15KTR-S three phase on-grid solar inverter is specially developed for residential users by INVT Solar to provide full energy for home.

INVT XG15KTR1-S High Efficiency on Grid Solar Inverter 15kw Three Phase for C& I System

15kW invt 3 phase inverter
