

IP65 Battery Cabinet Automatic Type Government Procurement

What is an IP65 enclosure?

Casters, support legs and risers. IP65 enclosures are general outdoor cabinets that provide basic waterproof protection. They are equivalent to NEMA 4 and NEMA 4X enclosures. Our enclosure designs provide high quality electrical enclosures for industrial applications that can be easily customized to meet IP65 standards at a standard-model price.

Where can I Find my IP65 electric cabinet?

Please refer to our Privacy Policy for details on how DirectIndustry processes your personal data. Find your ip65 electric cabinet easily amongst the 15 products from the leading brands (RITTAL, SIAP+MICROS, A2S, ...) on DirectIndustry, the industry specialist for your professional purchases.

Are KDM IP65 enclosures waterproof?

KDM IP65 enclosure has a rubber gasket around the inside of the lid which forms a dust and moisture-resistant seal, thus making the enclosure essentially waterproof. KDM produces a wide selection of different types of enclosures for electronics that met IP65 standards in various demands.

What does IP65 code mean?

The two-digit code shows the protection against particles (the first digit) and water (the second digit). IP65 electrical enclosures provide: Complete protection for the enclosed equipment from dust and other materials such as dirt, oils and non-corrosives. Protection from voltage and moving parts for people who come in contact with the enclosure.
