

Microgrid Demonstration List

The survey leads to policy recommendations for starting a microgrid demonstration program and overall development of microgrid and distributed energy. Additionally, specific recommendations have been ...

Pilot demonstration of advanced technologies for Microgrid using distributed energy resources is key to meet the clean energy goals around the world. Diverse scale implementation ...

This workshop features five experts sharing microgrid use cases from various applications. Each presenter will focus on a specific microgrid project and cover the planning process used, any ...

Three microgrids are being built, each with increasing capability and complexity, which will function as permanent energy systems at Department of Defense sites (Joint Base Pearl Harbor-Hickam, Fort ...

While the list is not meant to be exhaustive -- as microgrids are being deployed with increasing frequency -- it provides a sampling of microgrids around the country.

The microgrid demonstration is part of the Grid Edge Theater at RE+. Each year, different technologies are used in the microgrid, and highlighted based on industry trends.

Alcatraz Island Microgrid
Blue Lake Rancheria Microgrid
Borrego Springs Microgrid
Direct Relief Microgrid
Fremont Fire Station Microgrids
Kaiser Permanente Richmond Medical Center Microgrid
Laguna Wastewater Treatment Plant Microgrid
Marine Corps Air Station Miramar Microgrid
Santa Rita Union School District Microgrids
Stone Edge Farms Microgrid
Richmond, CA Key Kaiser Permanente Richmond Medical Center Microgrid
features: 1. Solar and energy storage: 250 kW solar PV, installed atop the center's five-level parking garage / 1 MWh battery energy storage 2. Date online: 2017 3. In the event of a power outage, the microgrid will furnish power to the 50-bed acute car...

The survey leads to policy recommendations for starting a microgrid demonstration program and overall development of microgrid and distributed energy. Additionally, specific recommendations have been ...

NLR is collaborating with the San Diego Gas & Electric Co. to model a microgrid in Borrego Springs, California, and evaluate how a microgrid controller with advanced functionality ...

We have gathered information for the following microgrid demonstration projects from around the world. If you know of other sites and would like them listed here, please contact the site administrators.

Virtual Microgrid "Tour": Successful U.S. Based Projects
The following is a list of microgrid and combined heat and power (CHP) projects located across the country which have successfully provided energy.

Microgrid Demonstration List

Mapping the global progress of Microgrids: we track microgrid innovation around the world and help you connect you with the companies behind them.
